

# Privacy Policy for AC Control Sweden

Our policy is very simple: we don't store anything about you.  
We don't store cookies in your computer or in your mobile unit.  
We have no third-party partners.

Regarding the AC Control app, we store your selected login and password in our servers, to be able to let you login. We also store the name of your person or your company. All this data is encrypted with strong encryption methods.
